CIPR

CIPR is the chartered body for public relations and the largest membership organisation for PR professionals in Europe.

The CIPR advances professionalism in public relations by making its members accountable to their employers and the public through a code of conduct and searchable public register, setting standards through training, qualifications, awards and the production of best practice and skills guidance, facilitating Continuing Professional Development (CPD), and awarding Chartered Public Relations Practitioner status ([Chart.PR](#) [1]).

We also run the [UK Lobbying Register](#) [2], the UK's only universal, open and free register of lobbyists.
